SAMPLE SERVICE AGREEMENT

Illustrative test document for ContractGuard AI — not a real contract

1. SERVICES

Provider will deliver the services described in the statement of work. The parties will cooperate in good faith.

2. PAYMENT

Customer shall pay all invoices within 90 days of receipt. Provider may change fees at any time without prior notice.

3. TERMINATION

Provider may terminate this agreement at any time without notice or reason. Customer may not terminate this agreement under any circumstances.

4. LIABILITY

Provider shall have unlimited liability for all indirect and consequential damages. Customer waives all claims against Provider.

5. CONFIDENTIALITY

Each party will protect confidential information and will not disclose it to unauthorized persons.

6. DATA HANDLING

Provider may process personal data as needed to provide services. This agreement does not specify security controls, breach notification, or retention periods.

7. RENEWAL

This agreement renews automatically for successive one-year periods unless notice is provided.

8. GENERAL

The parties will discuss disputes in good faith.

For software testing only. The clauses are intentionally simplified and may be one-sided.
